

tear off instructions for your holiday fortune teller before you begin!

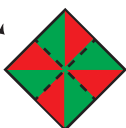

Fold and unfold paper in half diagonally.

With white side facing you, fold the corners into the middle until it looks like...

...this.

Flip the paper over.

again, fold the corners into the middle until it looks like...

...this.

fold and unfold the paper vertically and horizontally

insert your fingers underneath these flaps and pinch the middle together until it look like...

...this!

Happy holidays from Research Jam: Indiana CTSI's Patient Engagement Core, and may the new year be filled with good fortune!
